Only one Promotion Product per eligible Mac or eligible iPad per Qualified Purchaser. Offer subject to availability. While supplies last. Qualified Purchasers selecting Apple Card Monthly Installments (“ACMI”) as payment type at checkout shall receive a discount equal to the value of the eligible AirPods off the price of the eligible Mac or iPad. This will result in one ACMI installment plan over 12 months for the eligible iPad or Mac discounted by the instant credit, and a second ACMI installment plan over 6 months for the full price of the eligible AirPods. Qualified Purchasers will be charged for all items in their cart, including the eligible AirPods plus any additional Upgrade Cost. Taxes and shipping are not included in ACMI transactions and are subject to your standard purchase APR. ACMI is subject to credit approval and credit limit. Variable APRs for Apple Card other than ACMI range from 10.99% to 21.99% based on creditworthiness. Rates as of April 1, 2020. See the Apple Card Customer Agreement for more information.
